HEALTH SCREENING CENTRE (HSC)

The Health Screening Centre (HSC) programme is designed to provide you with an individualized and thorough medical examination to assess your health status.

WHY SHOULD YOU CONSIDER AN EXECUTIVE SCREENING?

With the fast paced high stress lifestyle of today, maintaining good health is vital. Preventive health checks sometimes take a back seat to daily life, but these are essential to our future health. Early detection of common disease like Diabetes, Heart Disease, Hypertension and Cancer can assist in the prevention for serious complication and ill health.

WHAT DO WE DO?

Our premium medical evaluation consists of a complete history, physical examination and screening tests. Our examination will be tailored to your health concerns as well as meeting the needs of busy executives and their employees.

WHAT CAN OUR EXECUTIVE SCREENING PROGRAMME HELP INDICATE?

- *By identifying "well" persons with potential health risk factors.*
- *By identifying asymptomatic person with early signs of disease.*
- *By evaluating your health status and early prevention of disease.*

WHAT IS YOUR PREPARATION BEFORE THE CHECK UP?

- *You will need to fast for at least 8-10 hours prior to your appointment. You may drink plain water only.*
- *It is advisable to refrain from smoking at least 8 hours prior to your appointment.*
- *If you are on any prescribed medication, please seek advice from the HSC coordinator before the appointment.*
- *If a stress ECG has been arranged, kindly bring along comfortable shoes and clothing, to exercise in.*
